

## Hey Morningside! It's time for Race2Read 2.0!

Morningside Elementary School is *raising the bar* for reading with our Race2Read Challenge! At **Atlanta Public Schools**, we are building readers, and we want our students to continue reading all year long! All our students need to do is simple: choose a book to read, read the book, and track that reading in *Beanstack*.

Read for pleasure, to find out, or to defend a point of view. Read to persuade, laugh, cry, and to understand. Read novels, newspapers, comics and more. Read, read, read anything! Just be sure to log your minutes and books read!

### Three Steps to Get Started.

Step one. Go to our school's site:

<https://apsmorningside.beanstack.org/reader365>

Username is your child's student ID.

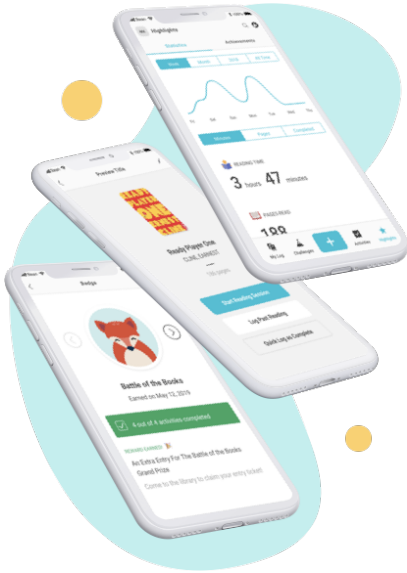

Their password is **race2read**.

Step two. Log Minutes Read.

Select the 'Log Reading' button on the page and enter the material read, along with the total number of minutes and the title of what you have been reading.

### Step three. Earn Virtual Badges and Recognition.

As you log reading, you will earn virtual badges and special recognition at school!

### There's Also an App For That.

To Download the Beanstack Tracker App, visit the Apple App Store or Google Play Store and search for 'Beanstack'. Or scan the QR code at the bottom of the page to get taken right there!

- Search for your school by name and select it.
- Sign in with your student's school ID and race2read as the password.
- Click on the + button to log reading and earn virtual badges!

Using the app, you may scan the books you read and more easily track your reading sessions!

We are excited to share the power of reading with you, your teachers, family, and friends.
